

CLEANING ALTERNATIVES

NON-TOXIC CLEANING ALTERNATIVES

Learn about recipes for some Rouge-friendly cleaning concoctions. They work, they cost pennies per gallon, and they won't harm you or the environment:

- For an all-purpose cleaner, mix a cup of vinegar in a pail of water.
- To clean floors, use 1/4 cup white vinegar, 1/4 cup washing soda (sodium carbonate not baking soda) in one-gallon warm water.
- To deodorize carpets, sprinkle with baking soda. Vacuum after 30 minutes.
- To disinfect, use one-half cup borax or washing soda (sodium carbonate) dissolved in a gallon of hot water.
- To polish furniture, use equal parts mineral oil and lemon oil.
- Use a plumber snake instead of drain cleaners to eliminate clogged drains.
- Wash windows with one-part vinegar to four parts water.
