Playoff Bracket Participant Check-In Procedure

Hello all,

Per league rules, all participants must be listed on the online roster through the league portal and must check-in with Livonia Parks and Recreation Staff with a valid form of photo identification prior to playoff games.

If a team is playing a doubleheader, players only need to check in for the first game. If a rostered player is not present for the first game, they must check with Livonia Parks and Recreation Staff prior to their game.

Valid photo identification examples could include:

1. Driver's license
2. School ID
3. Passport
4. Work ID

If the photo identification does not have an address, the individual will be asked their address to confirm their participation.

If a player is not listed on the roster, they are ineligible to participate in the playoffs. Rosters will be locked five minutes prior to your team's last regular season scheduled game.

Roster limits for the 2020 season will be allowed for up to 20 participants to account for the pandemic. If you need assistance adding players, please contact Ethan Engel at eengel@ci.livonia.mi.us.

Best,

Ethan Engel
