HYDRANT FLOW TEST REQUEST FORM

DATE:

TO: Battalion Chief Office

FROM: Administration Office

A request has been made to our Division for a hydrant flow test at the below location.

LOCATION OF HYDRANT(S): _____

BUSINESS: _____

TEST DATE: _____ TEST TIME: _____

REQUESTING PERSON: _____

COMPANY: _____

ADDRESS: _____

EMAIL: _____

PHONE NUMBER: _____ FAX NUMBER: _____

FLOW TEST REQUIREMENTS

1. The flow test must be completed within 1 hour of the requested time scheduled. If there are delays, contractor must notify Livonia Fire at 734-466-2444.
2. Contractor must call 734-466-2444 upon completion of flow test or for any issues encountered.
3. In the event of inclement weather, the contractor assumes liability if a hazardous road condition is created because of the flow test. In those situations the contractor must contact 734-466-2444 to have DPW on stand by for salt application to the roadway.
4. A crew from Livonia Fire will inspect the hydrants post the flow test to verify that the contractor has drained the hydrant(s) of any residual water and that the hydrant(s) are currently dry and discharge caps are secured.
5. If the hydrant(s) are found to be wet, the responding crew will flush the hydrant and pump the hydrant dry. They will then advise administrative staff to notify the City Building Department so that an invoice can be sent electronically and via mail to the contact person and company listed on the application to cover Livonia Fire Department's service costs.
6. Fee for Livonia Fire Department services, if required, will be \$300.00, made payable to the City of Livonia.

I have read and agree to the above conditions. Signature _____
