Dear Silver Village Applicant:

The Livonia Housing Commission requires that your residency be verified at the time you place this application in our office. This will assure your name being placed on the waiting list.

Please be sure to complete the attached application both front and back (don't forget to date and sign it on page two) and indicate your preference as to apartment size desired (one bedroom, two bedroom or no preference). You must attach a copy of your driver's license or State of Michigan photo I.D. card (front and back) to the application and mail both to the above address.

Silver Village is owned and operated by the City of Livonia. For that reason, Livonia residents are awarded preference on our waitlist. To get this preference, you must either reside in Livonia or have an immediate family member residing in Livonia. People that work in Livonia are also awarded the residency preference. You must be able to show proof of residency or familial relationship, or proof of employment in the city. For more information about this preference, please contact the office.

Income requirements for residency are subject to change from year to year. Your eligibility will be based on the income limits in place at the time you are contacted for a vacancy. Current income limits are available on the city website and in the current brochure.

Please be advised that the Livonia Housing Commission will review all documents to assure their accuracy.

Note that all housing units and community buildings are smoke-free.

If you should have any questions regarding this matter, please call the Silver Village office at (734) 421-6050.

Yours very truly,

Property Manager, Silver Village
